Welcome to the world of Oxford Mouldings. Beautiful, exquisite and elegant mouldings for picture frames and other home decor. A symbol of style and class, these eco-friendly mouldings are manufactured using advanced automated technology, which guarantees international quality mouldings at competitive prices.

In a short period of ten years, Oxford has established itself as the pioneers, trendsetters and market leaders in synthetic picture frame mouldings in India. Our effort in developing and nurturing this business has empowered us with a vibrant brand and since we are the pioneers, "Oxford Mouldings" has become a generic name for mouldings in India.

These termite proof mouldings are made using all inputs of the finest quality. These mouldings are aesthetically appealing and easier to work with as compared to wooden mouldings with the added advantage of consistency, length after length and cost effectiveness.

We produce a wide range of mouldings and our continuous product development and willingness to stretch the boundaries of design also enable us to meet any special customized requirements.
